Ministry of gender labor and Social Development,
George Street, Nakasero Hill Kampala, Uganda.

Dear Madam,

Subject: Complaint letter of keneth tesing for a reason of testing description.

I am Katongole Isaac, a student at Makerere University pursuing a bachelor's degree in Information Systems and Technology in my third year. I am representing a team of four students seeking permission to conduct research at the Ministry of Gender Labor and Social Development and collect data to use in development of a Migrant Worker Incident Management System, our final year project for both academic and service improvement purposes .

This is for testing issues. Once we confirmed that everything is working fine. we're ready to go. Thanks

I therefore request for permission in writing to conduct research at the ministry. Please let me know if you require any further information. I look forward to your response as soon as is convenient.
